PROFILE SUMMARY

Finance professional with hands-on experience in algorithmic trade execution, market monitoring, and P&L; reporting. Comfortable in fast-paced environments with a focus on accuracy, communication, and execution discipline. Strong Excel reporting skills and basic Python scripting.

WORK EXPERIENCE

Finesee Stock Broking
Algo & Equity Trading Desk

FEB 2024 - PRESENT

- Executed intraday trades using automated & manual orders ensuring smooth execution.
- Monitored OMS/RMS terminals and coordinated execution flow during live markets.
- Prepared daily P&L; M2M exposure, and brokerage summaries for multiple accounts.
- Identified execution mismatches and handled manual interventions when necessary.
- Used basic Python scripts to reduce repetitive data formatting and reporting tasks.
- Coordinated with risk & settlement teams for day-end reconciliation.
